

# Price List 2025

Extrusions & Accessories

---

## Introduction

This updated price list reflects recent changes due to new tariffs. If you've already confirmed an order, rest assured that your current pricing will be honored. We appreciate your patience and understanding during this time.

At Croci North America, we remain committed to delivering high-quality hurricane shutters and components, while staying transparent about the factors—like tariffs and material costs—that impact our pricing.

This price list is designed to give you a clear understanding of the costs associated with our offerings, ensuring transparency and helping you make informed decisions.

Should you have any questions or require further details, please do not hesitate to reach out to us. We are here to assist you.

## Disclaimer

- 1. Pricing Accuracy:** All prices listed are subject to change without prior notice. While we strive for accuracy, errors may occur. The final price will be confirmed at the time of purchase.
- 2. Product Availability:** Availability of products may vary and is subject to change without notice. Please confirm availability with our customer service team.
- 3. Additional Costs:** Prices do not include applicable taxes, shipping, or handling fees unless explicitly stated.
- 4. Promotions and Discounts:** Promotional offers or discounts are subject to specific terms and conditions. These offers may have expiration dates or may be limited to certain products.
- 5. Currency:** All prices are listed in USD.
- 6. Errors and Omissions:** We are not liable for any errors or omissions in this price list. If discrepancies are found, we reserve the right to correct them and notify affected parties accordingly.
- 7. Contact Information:** For the most current pricing or any questions regarding this price list, please contact our customer service team.
